Two Day NLP Workshop

This is Part Two of the one day programme.

This second day focuses on understanding, influencing and predicating behaviour with further practical experience of powerful tools and techniques.

Who will the course benefit?

This course is for everyone who has attended the One Day Workshop and wants to further explore the opportunities that NLP provide. An environment to practice the techniques.

Programme Outline:

- Power of language – “the words we use”
- Managing your state
- Change Process
- Further NLP tools and techniques

Outcomes:

By the end of the programme, participants will have:

- An in-depth knowledge of NLP
- Learned and practiced further key NLP techniques
- Identified how to integrate NLP in their learning environment
